May 19, 2026

TO:
ALL CONCERNED BSIT STUDENTS

SUBJECT: MANDATORY ATTENDANCE — PAGHIMAY 2026: DLL Research Congress

DATE OF EVENT: May 21, 2026

VENUE: DLL AVR and designated concurrent session rooms

Greetings!

In connection with the upcoming PAGHIMAY 2026: DLL Research Congress to be held on May 21, 2026, all BSIT students listed herein are hereby **MANDATED** to attend the said event in full.

This Research Congress, themed "Recalibrating Research Culture: Strengthening Research Integrity, Rigor and Responsible Innovation in the Modern Academe," presents a significant opportunity for our BSIT students — particularly those currently undertaking their Capstone Projects, to gain deeper insights into research frameworks, methodologies, and ethics that are directly applicable to the development of their respective studies.

As recommended by your respective Research Advisers, your attendance will provide you with valuable exposure to current research trends in technology and computing, help you better understand how to approach, structure, and defend your capstone work with academic rigor and integrity.

Please note that Plenary Session 3 — "Recalibrating Research Culture in Technology: AI Ethics, Digital Integrity, and Responsible Innovation" — is specifically designated for the BSIT program and will be held at the Computer Lab from 2:00 to 3:00 PM. Attendance in this session is especially important.

The following students are required to attend:

1. A Progressive Web-Based Smart Health Information and Decision Support System with Secure Electronic Medical Records, Appointment Management, and GIS Patient Mapping for Sariaya Municipal Health Center

DALUBHASAAN NG LUNGSOD NG LUCENA

DEPARTMENT OF INFORMATION TECHNOLOGY
Bachelor of Science in Information Technology

SY: 2025 - 2026, Second Semester

Pialane, Elvira
Berches, Charles
Faderagao, Aaron
Research Adviser: S' Balingbing

2. A Progressive Web-Based Document Tracking and Workflow Management System with QR Code Verification, Controlled Return/Receive Monitoring, and Missing Document Alerts for the Sariaya's Office of the City Administrator

Biscocho, Leslie
Cantos, Kyla Mae
Encina, Brian
Research Adviser: S' Balingbing

3. Design and Development of Facial Recognition-Based Karate Student Management System with TensorFlow Pose Evaluation and Predictive Analytics for Student Progression

Agustines, Prince C.
Castillo, Angelica Nicole R.
Inciong, Avian Cayle
Research Adviser: S' Mesiera

4. ARCHIVE-PIO: A Web-Based Centralized Request Management and Digital Archiving System with Complete Audit Trail for the Public Information Office of Gumaca, Quezon

Gamba, Ronjerick T.
Bontoc, Reniel P.
Palillo, Carl Menard T.
Research Adviser: S' Mesiera

5. Design and Development of a Web-Based Assistance and Benefit Management Information System with Smart Benefit Tracking for the Persons with Disability Affairs Office (PDAO) and Office of Senior Citizens Affairs (OSCA) in Lucena City

Falnican, Althea Bianca
Protacio, Christian Owen
Castillo, Zairesh Marie
Research Adviser: S' Mesiera

6. 3PL ManpoLink: A Progressive Web-Based System for Centralized Personnel Management with Hub-Geomapping and Predictive Workforce Analytics

Diaz, Gabriel Clinton
Ostaga, Christian Joseph
Palas, Jamaica
Serna, Tricia C.
Research Adviser: S' Alvin

7. Enhancing BWEST College Operations: A Secure, Analytics-Driven Academic and Financial Management System with Automated Enrollment and Simulated Payments

Villamor, Rusell Jay
Obcemea, Jerome
Maribojoc, Maricel
Research Adviser: S' Alvin

8. AGRICE: A Web-Based Rice Program Management System with GIS Mapping for Crop Monitoring, Yield Analysis, and Seed Allocation for the Municipal Agriculture Office of Lucban

Evangelista, Erol

Tanay, Xynex

Reformado, Loren

Redota, Jade Carlo

Research Adviser: M' Borela

9. A Web-Based Travel Document Assistance System with Web Scraping-Assisted Embassy Compliance Monitor, Multi-Service Application Form Generation, and AI-Powered FAQ Support for Chasing Heights Visa Processing and Travel Service

Ramos, Louiezy Jane O.

Macaraig, Jay Cee I.

Ancaja, John Louise J.

Research Adviser: M' Borela

10. CFM: An AI-Enabled Real Estate Sales and Commission Management System with Predictive Analytics and Interactive Lot Visualization

Bonggay, John Allen H.

Aguiwas, Ivan Raymond M.

Dellova, Karl Gabriel

Research Adviser: S' Monzon

11. TRANSPAWRRENCY: A Web-Based Automated Intake Management Platform Integrating Payment Gateway, Blockchain Ledger, and RAG-Powered Conversational Assistant for Aspin Tunay at Tapat

Vasquez, Rhealyn M.

Enallo, Maria Ashley Joy O.

Ramos, Alyssa Sophia A.

Pua, Kylie Micaelle

Research Adviser: S' Monzon

12. FishLodger: A Progressive Web App Up-to-Date Fish Market Monitoring System with Retailer Information, Supply Source Identification, Automated Report Generation, and Predictive Analytics for Lucena Fish Port Complex

Garay, Martin Ryan

Mora, Jhun Albert M.

Viñas, Edwin R.

Research Adviser: M' Borja

13. Piglytics: A Smart SMS-Enabled and In-App Notification-Based Mobile Piggery Management Application with Descriptive Analytics, Weather-Responsive Monitoring, and Comprehensive Inventory Tracking for Concepcion Pinagbakuran Backyard Piggery

Indonila, Ana

Remojo, Mary Angela

Remojo, Mary Angelie

Research Adviser: M' Borja

14. GeoMarketics: Enhancing Market Governance through a GIS-Enabled Stall Monitoring with Sanitation, Waste Compliance, and Price Monitoring System with AI-Driven Risk Analytics for the Lucena City Public Market

Capuno, Marianne
Garay, Mark Ernest
Mansilungan, Johnrey
Research Adviser: M. Fontanilla

15. Design and Development of an Integrated Child Monitoring and Operational Analytics for Barangay Market View 3 Child Development Center

Lim, Elaiza
Lugatoc, Kim Andrei
Mompero, Jessie
Villanueva, Jeremy
Research Adviser: M. Fontanilla

16. (Title to be finalized)

Amante, Harry G.
Alabado, Roderick L.
Dudas, Din Lienard L.
Research Adviser: S' Dudas

Program Highlights to Note:

- 7:30 AM — Registration (please be on time)
- 10:45 AM – 12:15 PM — Concurrent Research Presentations (Track 2: Computing and IT, NB 4)
- 1:15 PM — E-Poster Exhibition
- 2:00 PM — Plenary Session 3 for BSIT (Computer Lab)
- 4:00 PM — Recognition Ceremony

Non-attendance without a valid and communicated excuse will be noted accordingly. Should you have concerns, please coordinate with your respective Research Adviser or the BSIT Program Office at the soonest possible time.

Your cooperation and active participation in this event is greatly appreciated.

Respectfully,

LEONARD ANDREW MESIERA
BSIT Program Chairperson
